Whereever it goes

Whereever I go

Whereever we go

Whereever I go

Whereever it goes

Whereever we go

To whom it may concern I think I lost someone

I think I heard my mother cry I think I left someone

Think I saw myself commit homicide kill someone

The sweetest thing you have ever seen I think I hurt  
someone

I am running on a cloudy day

With a mind state far from ok nowhere to stay

And none to pray for me five times a day

Did I mention that I was brought up to the sky

To clarify I was put on a high to represent my body to  
the fullest still I am rowdy

Though not blessed with the same earthly riches like  
the Saudi I got spirit so they are bounty hunting

No mercy shown it's a conspiracy all over me won't  
leave me alone

By the look in your eyes

I can tell you gonna cry

Is it over me

If it is save your tears cause I'm not worth it you'll see

For I'm the type of boy who is always on the run

Where ever I lay my hat that's my home

I'm telling you that's my home

Where ever it goes

Where ever I go

Where ever we go

That's my home

Where ever I go

Where ever it goes

Where ever we go

I'm telling you that's my home

Donde quiera que me encuentre

Donde quiera que yo vaya

Ese es mi hogar esa es mi casa

Soy como una pluma

Que es llevada por el viento

Libre como el aire, sin fronteras

Soy como el universo

Pirata sin modales

dueño de tus mares

tu amor yo me he robado

y sola has quedado

no soy digno de tus lagrimas

no llores tus dolores me los llevo

estas en mis recuerdos

no me justifico

y te pido mil disculpas

si pudiera cambiaria

pero esta es mi conducta

si alguñ dñ yo me asentñ

seria a tu lado dormirñ sosegado en tus brazos

por ahora te digo adiñs alguñ dñ nos veremos

no guardes el rencor y si los bellos besos

porque a veces la vida es loca (loca loca)

a veces ganas unas

a veces pierdes otras

(Translated)

Wherever I find myself

Where ever I go

That's my house

That's my home

I'm like a feather

Conducted by the wind

Free like air

Without borders

Like the universe

A pirate without manners

Proprietor of your seas

I have stolen your love

And now lonely, there you are

I'm not worthy of your tears

Don't cry, I'm taking your pain away

You'll be in my memory

I can't justify my self

I apologize a thousand times

If I could change I would

But this is my way of being

If one day I settle

It would be by your side, Ill sleep peacefully in your arms

But for now I say goodbye, someday we'll see each other

Don't keep the rancour, only our beautiful kisses

Cuz sometimes life is crazy

Sometimes you win some

Sometimes you loose some.

Where ever it goes

Where ever I go

Where ever we go

That's my home

Where ever I go

Where ever it goes

Where ever we go

I'm telling you that's my home

Never ever really sow me coming

Never ever really heard me knocking  
Could it be that you were busy working  
Thinking about him and forgetting about me  
You got to be, (got to be)  
down with me (down with me)  
Coz only then I'll be (then I'll be)  
down for real (down for real)  
where ever I lay my hat that's my home  
Where ever it go  
Where ever I goes  
Where ever we go  
That's my home  
Where ever I go  
Where ever it goes  
Where ever we go  
I'm telling you that's my home
