"So Much Love"

Visit "[So Much Love](#)" on [MotoLyrics.com](#)

There's so much love, love between us that it hurts us
to be apart
When I go
I'm gonna miss you
When I return
I'm gonna kiss you
And love you just a little bit more

She's standing by the doorway
Her head is hanging low
Her eyes are filled with tears
She's affraid to let them show
So I place her little hands in mine
And say everything is fine
I'll be back before you know it
It's just a matter of time

There's so much love, love love love between us that it
hurts us to be apart
When I go
I'm gonna miss you
When I return
I'm gonna kiss you
And love you just a little bit more
