Last call, give me something  
I just heard her say  
A Tuesday night at the Alley Cat  
Can end this way

Theyâ€™ll turn on the lights  
And shove us out the door  
Just give me a sign  
Cause Iâ€™d love to take you home  
Or go anywhere

Iron Maiden on the jukebox  
â€œRun to the Hillsâ€  
When she knows every word by heart  
You know she kills

Iâ€™m wasted  
Every night  
Havenâ€™t seen you around before  
And I think I like

Theyâ€™re gonna turn on the lights  
And shove us out the door  
Ah so give me a sign  
Cause Iâ€™d love to take you home  
If you wanna be wild  
And you feel the way I do  
Just give me a sign  
And letâ€™s go home

Ohhh it's fine  
We probably won't remember this  
So where's the crime  
No one has to know  
Ohhh that's right  
Reapply the lipstick for me  
And take... your time  
(But we really gotta go)

Hey

I swear theyâ€™ll turn on the lights

And shove us out the door  
Oh just give me a sign  
Cause I'd love to take you home  
If you wanna be wild  
And you feel the way I do  
Just give me a sign  
And let's go home  
Or I'll go anywhere
