Chorus: Look what you did
I never thought you'll fall so hard
But look what you did
I'm so glad that you pulled my card

CASH-
UH and i cant explain this feeling
should've knocked me off my pimping
Funny thing is im not tripping (im not tripping)
And she know about them others but she aint
worried about no others cause she know i will never
cuff em
(neva cuff em)
and im trying to play it cool, but they dont do it how she
do
I gotta cut em loose and i gotta tell the TRUTH, just
might make her my lil BOO , cause she asking all them
questions like where,when ,and with who.
I dont need no one to say like is this really a mistake,
should i really be f-feeling this way got me going,
and clearing out my bank, Got me falling in LOVE
and its REAL can explain the way that i feel
Be down for you, i will , you got my head over them
hills

Chorus: Look what you did
I never thought you'll fall so hard
But look what you did
I'm so glad that you pulled my card
You did it ,you did it ,you did it , oh yeah you did id

Tk-
What goes around comes around
comes around and back around AGAIN
(BUT what do you know) what do you know?
I done found me a new Best friend
I was down and out without a doubt
YOUR the MAIN reason I'M HERE
But you turned around and you held it down
Girl I'm glad i let you steer
NOW well all want something NEW
Girl i know just what to do (yeahh)

That's to never say to you No dreams
I swear to you that i mean
IN my eyes girl you that QUEEN , YOU THAT QUEEN,
YOU THAT QUEEN
Had to say it three times, Just to let you know i aint lying
I might mess up run out of luck, Just remember that i'm
trying
We been through it all(through it all)
But nu-un , We ain't through
A-After all i came running when LOVE called

Chorus: Look what you did
I never thought you'll fall so hard
But look what you did
I'm so glad that you pulled my card
You did it ,you did it ,you did it , oh yeah you did it
