Didn't really see his face.  
Ruins with a snake.  
Scared guy looks around.  
Turn around snake touch turn blue.  
Sunset, old man on a boat.  
Grab a sword, stab myself.  
Wave hand.  
Zoom out.  
Statue fall in the water.  
Punch a brick.  
People walking.  
Mountain top.  
Screaming up.  
Draw sword, turn around, scorpion.  
Guy running downhill, jump!  
Dragon grab. Swing, stab.  
Falling rock, open arms.  
Swing, miss, ocean, running, sliding down, turn  
around, and some slow-motion falling down.  
Hit ground twice, turn, grab spear.  
No eyes. Look, fire. Hold her neck.  
People. Cape. Ow, my back.

Then, Titans and horses and stab will girl falling and  
Clash dissolve, mid-air stab, breaking rock, sex scenes
