My life is changing; the seasons seem to come and go
Too fast for me to remember who I am, I myself.
The crowds and faces, the times and places I don't
know

I am just the player, you are the show
You are the show
You are the show
You are the show

An honest man with a dealer's hand, he played to lose.
No signs of fortune, no lucky lady by his side, his heart
cried.

A game of chance and a lost romance is found once
more.

We're just the players; you are the show.
You are the show
You are the show
You are the show

You are the show
You are the show
You are the show
You are the show
You are the show
You are the show
