Stomp, stomp, I'm a chicken
Drop the egg, clucky face, why ya lookin' at me?
Flyin', flyin', flyin', flyin' oh no I'm not flyin'
I got wings but I'm stayin' on the ground

Dirty, dirty, dirty, dirty, dirty, dirty feathers
You think I'm a rooster, but no I'm not, Heather

I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this
I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this

We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar
We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar

Cluck, cluck, pour me a beer
No pretty drinks, I'm a quail out here
Eatin', eatin', eatin', eatin' seeds like a bird
My H-E-N girl on my wing like this
Dirty, dirty, dirty, dirty, dirty, dirty feathers
You think I'm a rooster, but no I'm not, Heather

I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this
I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this

We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar
We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar

Boys, c-come squawk what you wanna
Boys, y-you need to lick my chollar (chicken money I
whispered)
Boys, getting hot under the sunna
Wa-holla, holla, whoa-oa-o

Boys, c-come squawk what you wanna

Boys, y-you need to lick my chollar (chicken money â€“
whispered)
Boys, getting hot under the sunna
Wa-holla, holla, whoa-oa-o

I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this
I can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this

We can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this
We can do it like a chicken, do it like a chick
Grab my comb, grab my leg low like this

We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar
We can do it like a game bird, game bird
We can do it like the game bird, sugar, sugar, sugar

Do it, do it like a chick
Do it, do it low like you
Do it, do it like a chick
Do it, do it like a chick
