(verse 1)

they say dat we cant be together
baby dont worry,they'll fade away
u need to be here with me forever
cuz u r my one and only

imma spend my money on ya like it dont mean nothing
cuz for u girl, it really dont mean a thing
and its dont matter where u at,just call me baby
cuz i'd run a million miles just to get to you baby

(bridge)

(you are my world) i wanna keep ya right by my side
hold you tight
till we die
we will ride

(you are my world) as long as u are here with me
you will be alright
you and i
we will fly
no one can deny

(hook)

i'll be lost without you my baby
you are drivin me so crazeey
all im dreamin about is you
cuz baby girl my love for you is true
i love the way you walk
i just wanna hear when you talk the talk
my baby you are so cool
thats why im callin' you my boo
you are my boo
you are my boo

(verse 2)

shawty take a seat let me explain to you
i'll be there for whatever situation u are goin through

so, get 'em worries off your brain
keepin' you happy that's my aim
baby i want you to know
something for sure
no matter what, i'll never let you go

(hook)

i'll be lost without you my baby
you are drivin' me so crazy
all i'm dreamin' about is you
cuz baby girl my love for you is true
i love the way you walk
i just wanna hear when you talk the talk
my baby you are so cool
that's why i'm callin' you my boo
you are my boo
you are my boo
