Music & Lyrics: Andre Tonanni

You used to treat me so bad
But now I rock the house
Now it's time for you to scream my name out loud
I was so N.E.R.D
Now baby I'm a star
Can't compare my limo with your tiny car

Fame and fortune, drinks and parties, see my life has
changed
I'm so sorry baby I see your life remains the same
Stop pretending you care
I know you really don't
If you ask me to forget the past I won't

But if you really want it give me you pen
And I will tell you that

If you want my autograph
Better cut the act
'Cause you know, that I'm a star star

Now you want a piece of me
Why don't you call Britney? Anyway...
Go get in line to get my autograph

You say you have the money
But that is all you got
I'm sexy, hot, whatever, everything you're not
Okay, I'm done with talking
I've got a show to do
And that means that I won't spend my time with you

But if you really want it give me you pen,
And I will tell you that

If you want my autograph
Better cut the act
'Cause you know, that I'm a star star

Now you want a piece of me
Why don't you call Britney? Anyway...

If you want my autograph
That you'll never get
Can't you see, that I'm a star star

I've had enough of it
You're just a piece of shhhh! Anyway...
Go get in line to get my autograph
