The time in now yes man, so gather all your friends  
and lets go.  
feel the light of the morning sun, feet this, start  
rejoising now everyone , eh  
follow me let me lead the way, in my hear is were you  
will stay, yes.

Im on my way to rio thats were the sun always shines.  
I'm on my way to rio so just place you hands in mine.  
I'm on my way to rio love will leave know one behind.  
I'm on my way to rio so just place your hand in mine  
yes.

its the right time for having fun,yes, having fun yes,  
party time underneath the sun yes  
follow me let me lead the way, in my heart is were you  
will stay.

Im on my way to rio thats were the sun always shines.  
I'm on my way to rio so just place you hands in mine.  
I'm on my way to rio love will leave know one behind.  
I'm on my way to rio so just place your hand in mine  
yes.

us gather together  
and spread love one more time.

can you feel it its amazing  
can you feel it its amazing  
can you feel it its amazing  
can you feel it its amazing

Im on my way to rio thats were the sun always shines  
I'm on my way to rio so just place you hands in mine  
I'm on my way to rio love will leave know one behind  
I'm on my way to rio so just place your hand in mine yes
