I hear the music as
I walk down the street
Start moving to the rhythm,
Heart is pumping the beat
I hear the people shout out,
"Turn up the music louder"
Better start running
If you can't stand the heat

What's it doing to me?
I feel it setting me free
It's like I'm losing all control
You know it's making me hot
And baby I don't stop
It's like a fire in my soul

I don't know what I'm doing tonight
But this rushing is making me stronger
I don't know if it's wrong or it's right
But I know I want you to stay
Nananananana stay, nananananana

Heart beats faster as
I stand in the crowd
My meters are peaking,
I can tell you're around
It's like I wanna (shout out),
Nothing can pull me (down now)
Sirens are calling
And I can't kill the sound

What's it doing to me?
I feel it setting me free
It's like I'm losing all control
You know it's making me hot
And baby I don't stop
It's like a fire in my soul

I don't know what I'm doing tonight
But this rushing is making me stronger
I don't know if it's wrong or it's right
But I know I want you to stay
Nananananana stay, nananananana

What can move your body baby?

You better, nananananana,
You better, nananananana
Come on now,
What can move your body baby?
You better, nananananana, you better

I don't know what I'm doing tonight
But this rushing is making me stronger
I don't know if it's wrong or it's right
But I know I want you to stay

I don't know what I'm doing tonight
But this rushing is making me stronger
I don't know if it's wrong or it's right
But I know I want you to stay
Nananananana stay, nananananana
