From Ah Boys to Men  
Serving two years  
For our nation,  
Our country  
With blood, sweat and tears  
We'll be marching on  
With pride and glory  
Because we love our land  
And want it to be free  
(Steady lah!)

As a boy in Singapore  
You gotta do your thing  
Step up and serve the country  
Gotta do your thing  
5 BX  
Every morning has  
Become a routine  
Wonder why I gotta serve  
Once i turn 18!

From a head full of hair  
Shave it all  
Everytime strength training  
Kena medicine ball!  
Suddenly introduced  
To my brand new wife  
And I promise to protect her..  
With my life!

I train so hard for my SOC  
But I forgot to train for my IPPT  
So my PC told me  
"Wah! You damn unlucky ah"  
This week you have to stay back  
For RT  
Now I can't book out  
And I'm really damn 'Sian'  
I'm just a recruit  
So I really 'Bobian'

But what's left to do is  
To carry on going for  
2 years of our lives  
We are growing from

As a boy in Singapore  
You gotta do your thing  
Step up and serve the country  
Gotta do your thing  
We no longer have the time  
To lepak in Town  
Lagi worst when we hear  
"Whole lot knock it down!"  
And it's 'Sibei siong'  
When we go outfield  
Sergent always say  
"Nothing to do, highkneel!"

Training in the jungle  
Is never easy  
The weather so hot  
All of us feel dizzy  
Marching around with  
A field pack on my back  
Helmet, LPV  
And a body full of sweat  
That's why it feels good  
When the cold wind blows

My friends and family  
Oh I miss you so  
But please don't worry  
I know, I know  
With an aching in my heart  
Where the river flows  
Got my rifle and my buddy  
I'm not alone  
Can't wait to book out  
And go back home!
