I'm always searchin' lookin' under my bed,  
even though, even though you said goodbye.

This love is all, is all I've got in my head oooh (x5).

Can't stop thinking of you

You're so right, keeping it real. Oh my, makin' me feel.  
So, where do we go, where do we go, where do we go,  
when do we go home.

I know you need me on my own.

Oooh (x5)

I'm always searchin' lookin' under my bed,  
hold me now, hold me now don't let me go.

This love is all, is all I got in my head oooh (x5).

Can't stop thinking of you

And I bet, that's news to me.

You can, oh I can see.

I can be alone, I can be alone, I can be alone and still  
picture you.

Now you've got answers, well you would.

Oooh (x5)

I'm always searchin' lookin' under my bed,  
even though, even though you said goodbye.

This love is all, is all I got in my head oooh (x5).

Can't stop thinking of you.

I'm always searchin' lookin' under my bed.

Hold me now, hold me now don't let me go.

This love is all I got in my head oooh (x5).

Can't stop thinking of you.
