V 1:

I see the same things so many times
People search but only use their minds
Search for something they cannot see, therefore they
can't believe
They want a promise that will never lie
What they desire can't be seen by the naked eye
They must take a step of faith & believe in the unseen.

CHORUS:

Do you want a ticket on the train to Paradise, even
though you can't see the track
Trust him & he'll lead you all the way to Paradise
And you'll never have to look back

V 2:

Although thimes seem hard & I know,
It's hard to walk when you don't know where to go
The valley of the blind is what you seem to go through
all of the time
Well again, again, again my friend, take heed to what I
say
Put your trust in the Lord I know He'll show you the way

Be ye strong in this hour, & do rely on his power
You want to live you must recieve, even what you can't
conceive
Trust in God, believe me you'll have life I'll agree
It's sometimes rough, riding this ride, but in the end it's
life divine.

CHORUS

RAP:

Oh my Lord it's all aboard & the ticketmaster knows for
sure
Who's gonna ride on the thief in the night train
Too much bank for a Brother Life
But mercy, has paid me off in full so Mr. Conductor
give the whistle a pull
Larger than life, cause life on Earth is draggin'

My gift is a trip on the Lord's bandwagon

Maybe we should look beyond our sights

Make a way to feel without a touch

Our trust is not just blind belief

Cause we use other eyes to see

[CHORUS OUT]
