Forgive me, Lord, for I have sinned  
I have strayed from your ways  
I need to begin again  
My ways have let me down

Won't you please turn my life around?  
I can't make it on my own  
I will do what you say, Lord, have your way  
And hear my prayer this day

I need you, Lord, please hear my cry  
Take this heart as your own  
And make it clean inside  
Wash me in your precious blood

Wrap me in your open arm of love  
So, I know you've not given up  
I will do what you say, Lord, have your way  
And hear my prayer this day

Oh, have mercy, oh, have mercy  
Lord, I need you, I am not giving up  
I'm not letting go, not even getting off of my knees  
'Til I hear a word from you

Be near me, Lord  
I've turned from my wrongs  
I am following you, won't you speak?  
Help me carry on

For just one word from you  
Gives me the strength to make it through  
Don't leave me here on my own

Oh, have mercy, oh, have mercy  
Lord, I need you, I am not giving up  
I'm not letting go, not even getting off of my knees  
'Til I hear a word from you

Have mercy, oh, have mercy  
Lord, I need you, I am not giving up

I'm not letting go, not even getting off of my knees  
'Til I hear a word from you

I need a word from you, so won't you speak to my soul?  
Tell me how to live and tell me which way to go  
I put my trust in you and I will stay in your word  
You gave it to me so I can walk right, I promise to do  
what I've heard

So, speak to my heart, Lord and give me your Holy  
Word  
If I can't hear from you, well, I don't know what to do  
If I should fall, if I should stray, I promise I won't wait  
To get down on my knees and beg you please

Have mercy, oh, have mercy  
Lord, I need you, I am not giving up  
I'm not letting go, not even getting off of my knees  
'Til I hear a word from you

Have mercy, oh, have mercy  
Lord, I need you, I am not giving up  
I'm not letting go, not even getting off of my knees  
'Til I hear a word from you

I love you Lord, you're so beautiful  
You've forgiven my sins and I want to honor you  
So, Lord, please take your place  
As my master, Lord, I'll seek your face

I will not leave your side  
I will do what you say, Lord, have your way  
I will do what you say, Lord, have your way  
I will do what you say, Lord, have your way  
And hear my prayer this day  
[Incomprehensible] Jesus
