My faith has found a resting place
Not in device nor creed
I trustin the ever-living one
And His wounds for me shall plead
Enough for me that Jesus saves
This ends my fear and doubt
A sinful soul I come to Him
And He will never cast me out

(Chorus)

I don't need another argument, don't need another
plea
It's enough that Jesus died and that He died for me
I don't need another argument, don't need another
plea
It's enough that Jesus died and that He died for me

My heart is written on the Word, the written Word of
God
Salvation is by my Savior's name, salvation by the
Savior's blood
The great physician heals the sick, the lost He came to
save
For me His precious blood He shed, for me His life He
gave

(Chorus)

It is enough what He's done, how it makes me love Him
It is enough what He's done, I know I can trust Him
It is enough how He took the pieces of my soul
Blew life in them and made me whole
I found a resing place

(Chorus)
