

Out Of Eden "Roadrunner"

Whoa! Hey! What's goin' on?
I'm trying to read the Bible, what's wrong?
Satan was attackin' you all night long?
Hey, I could write a song!

[Chorus]

Accept Jesus please
If you do, your life will be at ease
Don't start a game called "What If?"
It'll be the best thing you ever did

O.K., I'm back in the picture
You need some help? Well, sure!
Of course I'd like to help a friend
I'm tellin' you, it won't be the end

It may feel like it now
But it won't later. I'll show you how
It's O.K. to be different than the crowd
You better shout His name. You better shout it loud!

[Chorus]

[Bridge]

Don't be a roadrunner
You can't be a roadrunner!
You know why?
God has a plan!

What? You say He doesn't?
You were meant to be!
"No, I wasn't!"
I'm telling the truth! Trust me!

[Chorus]
