I had a, a vision of love, that vision was you
I had a, a vision of love, you made it come true
{Repeat}

(Chorus)

You saw past my faults and saw all of my needs
And you showered me with love
You saw past my faults and saw all of my needs
And you showered me

I had a, a vision of love, that vision was you
I had a, a vision of love, you made it come true

(Chorus)

You came into my life and changed my point of view
and
Your love made me alive, I was dying before I met you
You were my reason and I cannot believe it
That I ever was without you or that I used to doubt you
You saw me through my darkest nights
When I was wrong, you made me get it right
My vision was blurry, but now I see clearly
Was lost but you found me, oh how you showered me,
yeah

I had a, a vision of love, that vision was you
I had a, a vision of love, you made it come true

(Chorus)

When I was lost in my sins, you called me back to your
side
I was so restless within, oh, I was missin' you
So lonely, so torn apart, hard times had broken my
heart
You came and you set me free, and put your life into
me
{Repeat}

When life gets so crazy and things start to shake me

I put my hope in your goodness
Never before and never again could I go back to the
time when
I didn't have all this fullness
{Repeat}

(Chorus)
