Hook

Got to get to you
Got to get to you
Got to get to you
You oh oh oh

Verse 1

Leaving on the first thing smoking in the morning
I just got to see my baby
I miss your kiss you touch the scent of your cologne
I dont want to be alone

The nights too long
the bed is cold here without you
The distance between us is serious
I've got to get to you

Hook

Got to get to you Needing you baby
Got to get to you Think I'm going crazy
Got to get to you Yeah Yeah
I'd to anything to touch your face
Feel your fire burning through my veins
I'm needing you like air
I've got to feel you

Verse2

Now it might seem like I'm desperate
I'm not afraid if it shows
Cause i know what I want
And I cant let go.

Thinking bout the way you look at me
You got me open
I cant control what I'm feeling
I find it hard to breathe
I shiver as the wind blows.

The nights too long

the bed is cold here without you
The distance between us is serious
I've got to get to you

Hook

Got to get to you Needing you baby
Got to get to you Think I'm going crazy
Got to get to you Yeah Yeah
I'd to anything to touch your face
Feel your fire burning through my veins
I'm needing you like air
I've got to feel you

Bridge

I've been waiting
Cause your worth it
and you're all I need
I'd do anything to get to you

Hook

Got to get to you Needing you baby
Got to get to you Think I'm going crazy
Got to get to you Yeah Yeah
I'd to anything to touch your face
Feel your fire burning through my veins
I'm needing you like air
I've got to feel you

Boy Boy Boy Boy!!!
