I don't care what they say  
Oh oh  
oh oh oh  
So high that I can fly  
Oh oh  
Oh oh oh oh oh

If I could change the world  
I'd make it beautiful.  
I'd bring the pink shades to light  
resuscitate the life.

I'm the voice of the generation  
speaking for the nation  
make a constellation  
we are all stars  
playing in the same game  
living for the fame  
Everybody what's my name?

I don't care what they say  
I'm a take on the world  
I'm invincible  
So high I can fly  
I'm a take on the world  
I'm invincible  
Invincible, Invincible, Invincible Invincible  
Oh Oh Oh Oh

I don't care what they say  
I'm gonna take on the world  
So high that I can fly  
I feel invincible

Your love  
deeper than the depth of the ocean  
shining down on me like the sun  
Say we ain't gone be here forever  
but forever just begone  
Your opinion of me doesn't matter  
Doesn't matter  
Yeah

Cause I'm good with who I see in the mirror  
In the mirror

I don't care what they say  
I'm a take on the world  
I'm invincible  
So high I can fly  
I'm a take on the world  
I'm invincible  
Invincible, Invincible, Invincible Invincible  
Oh Oh Oh Oh
