Verse 1

I'm not that girl you use to know
So don't think I would always be around
What doesn't kill me, makes me stronger
I don't wanna take this any longer
Still haven't figured out why my heart got numb
Kick to my heart set the beat to my drum
I can go back to the usual

Why, why can't you let go-o
No we can't be friends
I need peace of mind
Quit, quit while your ahead
Stop wasting my time
Why can't you let go-o

Hook

Understand..

I don't wanna love you no more
I don't wanna be here no more
I don't wanna need you no more
Don't wanna front like we exclusive no more
You know behind closed doors (we can stand each other)

Verse 2

You hurt me one too many times
Caused me pain
You saw how i cried
Steady searching but you'll never be satisfied
Truth's before your eyes but you would rather lie-e
Still haven't figured out why my heart got numb
Kick to my heart set the beat to my drum
I can go back to the usual

Hook
