How many lives must I live  
How many lies must I hear  
How many times must I, feel so blue  
How many times must I, lose you

All I hear now  
Is the sound of my heart breakin' down  
Or losing ground

How many bridges must I burn  
How many lessons must I learn  
How many times must I ask you to stay  
How many times will you push me out of your way

All I hear now  
Is the sound of my heart breaking down - losing ground  
All I hear now  
Is the sound of my heart losing ground - slowing down

Maybe somebody will show me - a better way  
Maybe somebody will know me - someday  
How many times must I, hear your voice  
Inside my dreams, your answering machine  
You're always there and everywhere in between

All I hear now  
Is the sound of my heart slowing down  
Can ya hear the sound  
All I hear now  
Is the sound of my heart leaving town, breakin' down  
Slowin' down, losin' ground, breakin' down and  
stopping here

All I hear now  
All I hear now
