A couple shots, a beer or two,
girls versus boys, what should we do?
The board games, jumping off the walls,
the cheap talk, random noise.
Stuck in a room, filled with bad air,
we discuss, we do not care,
it's midnight grab the drinks, let's go,
the night is young! Do you?

Remember, remember?
The never ending nights we had?
Remember, we had it all!
No regrets, straight ahead,
we held the world out in our hands,
Remember, remember?

The future holds a mystery,
just go with it, just let it be.
Don't try to wonder, think about,
shut the words, coming from your mouth.
Another night like those before,
will come again, you'll love it more.
And all the distant memories, will come up front,
and you'll say:
Ooooh, ooooooh!

Remember, remember?
The never ending nights we had?
Remember, we had it all!
No regrets, straight ahead,
we held the world out in our hands,
Remember, remember?

Ooooooo, ooooooo!

Remember, remember?
The never ending nights we had?
Remember, we had it all!
No regrets, straight ahead,
we held the world out in our hands,
Remember, remember?
