Wild Child

(c) 2011 treija (R.Madawho) / Latvian Spice

i'm a bad girl, check me
Silky, trick tease
You want some, are you thinking ?
to pop me, dirty! dirty!

Little man, dem a, get stuffed
need a ruffneck, to get me off
with a big -----
Suck it to me
can you ride, can you can you do me like that

All holler if you like getting nasty,
and you ain't no Skank, sing
(oooooh) (oooooh)

I am, good girl gone bad, pick me up on the Wild-side
and we can, do the things that Daddy don't need to
know

(give it to me, give it to me)

Hot damn! so fly, booty on fire
not from da hood, swagga's all good
Got a freaky disposition,
to boom! boom!
is that what you want?
is that what you want? a loose girl?
that ain't me.

I'm not down with every guy, better wise up baby
My reputation's hanging on the line

I am nasty, nasty as you want me,
i'm all that, I'm all the dirty things you say to me
Only for you boy
So take me to where the wild things are
Show me

(can you hear me, can you hear me)

(can you handle this? can you handle this?)

You can pimp me out like a wild child
and we can do it (do it) do it
Daddy don't need to know

I am nasty
time for some action, just keep it lowdown
and we can do it (do it) do it, Daddy don't need to know

aaaaaah, time for some action

Been a bad girl
(do do it, do it, do it)
(just keep it low down)

All holler if you like getting nasty
and you ain't no Skank, sing!
(oooooh) (oooooh)
