## JAVA'S STORY

### Verse 1

There was somebody else that I wanted to be  
And I felt sorry for those people that were just like me  
I lived some pitiful life with nothing in my mind

I would get up and walk till I'm a mile away  
From some family's home that didn't want  
me to stay  
Till I meet more friends who told me nothing but lies

I made the same mistakes over and over again  
And I have 25 kids from different mothers of 10  
I had absolutely nothing on me except time

It's a difficult life that I had to go through  
And all I ever prayed for  
Was for me to be you  
I think I need a new start so I can do things right

### CHORUS

I wish I could live  
In my own fantasy  
Where the world is like heaven  
Where I'm happy and free

I wish I could fly  
And everything was mine  
Where the world is like heaven  
Until I open my eyes  
Till I open my eyes

### Verse 2

I went back home with the intention to change  
Then I fell off a truck and opened half of my head  
I spent some time in bed  
I'm glad to be alive

A few months later I took off again

With some silly old friends and other two old men  
Worked on a fishing boat  
But the captain was blind

We got lost in the blue with the boat upside down  
I lost one of my friends and me I almost drowned  
I struggled to survive  
I did nothing but cry

I will never go back to that old life again  
I want to settle down with a caring wife and friends  
I want to stay with them until the end of time

CHORUS€¡.
