call me greased lighting  
sandy on my shoulder  
my white boy swag got me feelin like Travolta  
monday night icy  
firday night colda'  
know she been with me  
send her back with namonia  
my silk two shockin  
should prolly join the high boys  
see me in this bitch  
fresh as cinimon altoilds  
whole jar of beans in my hands and they not sore  
watch me do magic  
6'5 drake malfoy  
my white girl, Genie, told me I was dreamy  
she showed me that pussy, girl freakier than Zeeke  
say man don't lie, all ya'll wanna be me  
you want the same bitch  
wanna smoke the same greenery  
think I  
think I might invest  
In a rose gold tooth  
In a new fur coat  
In a rose gold suit  
shit fuck it while I'm at it  
get some rose gold boots  
Buddha in this bitch  
In a rose gold move

five fine hoes tryna' share me like a KitKat  
Six cell phones if you call i cant miss that  
Cardia shade  
cant see cuz it's pitch black  
the rose gold with the white gold call it miss match

They try and share me like a KitKat  
Six cell phones if you call i cant miss that

They and share me like a Kitkat  
the rose gold with the white gold call it miss match

just let me sleep, just let me sleep!

man i been rollin' off this molly for a week  
it got me in the fuckin' spirit nigga jolly as can be  
this mazzeratii hug the road like kohlas to the tree  
nigga started for the free but now it's money to be  
made  
1300 for the yays  
engine runnin' like a slave boy ahh  
say boy ahh, these bitches ain't the thing you should  
save for  
I'm golded up  
My ring flickin' like a fuckin' rave boy ahhh  
but don't get it twisted or miss the message  
it's all bars, wi-fi, nigga good connections  
im makin good selections  
pickin all of the best picks  
my bitch well rested  
only design the type of that's gettin ingested  
im packin for the next trip  
and Boldy packed the wesson and protect all our  
investments  
if life was school then we graduated honor roll  
kick it till it's time to go...ho
