[CHORUS]

You gotta go where you wanna go
Do what you wanna do
With whomever you
Wanna do it with

[Repeat CHORUS]

You don't understand
That a girl like me
Can love just one man

Three thousand miles
That's how far you'll go
And you said to me
Please, don't follow

[Repeat CHORUS 2x]

You don't understand
That a girl like me
Can love just one man

You've been gone a week
And I tried so hard
Not to be the crying kind
Not to be the girl
You left behind

[Repeat CHORUS...]

Go where you want
Do what you want...
