Would you like to ride in my beautiful balloon?
Would you like to glide in my beautiful balloon?
We could flow among the stars, together you and I

For we can fly, up, up and away
(For we can fly)
In my beautiful, my beautiful balloon

The world's a nicer place in my beautiful balloon
It wears a nicer face in my beautiful balloon
We can sing a song and sail along the silver sky

For we can fly, up, up and away
(For we can fly)
In my beautiful, my beautiful balloon

Suspended under the twilight canopy
We'll search the sky for a star to guide us
If by some chance you find yourself loving me
We'll find a cloud to hide us, keep the moon beside us

Love is waiting there, in my beautiful balloon
Way up in the air, in my beautiful balloon
If you'll hold my hand, we'll chase your dream across
the sky

For we can fly, up, up and away
(For we can fly)
In my beautiful, my beautiful balloon, balloon

Up, up and away
Up, up and away
Up, up and away
