Things to do before I die, if fixing me is hopeless.
Save the world or find a cure, like stamping out the
homeless.
Remember to vote it's not a choice, it's just my
obligation
Empower the ones to steal from me and call it their
occupation

Bla
Bla bla bla bla bla bla bla bla bla bla bla
Bla bla bla bla bla bla bla bla bla bla bla
Bla bla bla bla bla bla bla bla bla bla bla fuck it!

All I know is what I fear when it comes to my affliction.
My happiness of my ignorance a blaring contradiction
Tongue in cheek and fist in hand, blind without
direction
I'm fucking lost on MTV, bleeding for a connection

Bla
Bla bla bla bla bla bla bla bla bla bla bla
Bla bla bla bla bla bla bla bla bla bla bla
Bla bla bla bla bla bla bla bla bla bla bla fuck it

The way I am I have no choice
The way I speak I have no voice
If just for once hear what I say
Give me the right then
Take it away
