Come with me  
To a place inside the light

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames  
Nothing can defeat me your creature is unbeaten  
As long as I am feeling the pain

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames  
Nothing can defeat me your creature is unbeaten  
As long as I am feeling the pain

Burn your wings, you bang  
Your face on the light  
Scratch and bite  
They'll try to take your life

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames  
Nothing can defeat me your creature is unbeaten  
As long as I am feeling the pain

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames  
Nothing can defeat me your creature unbeaten  
As long as I am feeling the pain  
For a bug I'm a bug  
Is there love in this world for a bug  
I'm a bug I'm a bug I'm a

For a bug, I'm a bug  
Is there love in this world for a bug  
I'm a bug I'm a bug I'm a

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames  
Nothing can defeat me your creature is unbeaten  
As long as I am feeling the pain

I dont wanna be a moth in a beautiful frame  
Gotta live dreams burning in the flames

Nothing can defeat me your creature is unbeaten  
As long as I am feeling the pain

For a bug, I'm a bug  
Is there love in this world for a bug  
I'm a bug I'm a bug I'm a
