Here we go

Everybody move with the moves with a groove
Get ya head game, c'mon, get ya head game
Everybody's high, everybody get high
Make the dead wake, c'mon get, ya head game

Lookin' down the end of a 12 gauge shotgun
Get some c'mon, baby, get some
No one gonna see who the freak is gonna be until
We get some pretty baby got some

The twisted freak show we're wound up tight
Pills and orgies we fuck or fight
The mob is screaming they scratch and bite
The sound explodes night after night

Kaboom mother fuckers, kaboom

Everybody move with the moves with a groove
Get ya head game, c'mon, get ya head game
Everybody's high, everybody get high
Make the dead wake, c'mon, get ya head game

All the people freak with the freaks and the geeks
Is a blow job out of the question?

Kaboom mother fuckers, like the rage in a cage
Kaboom mother fuckers kaboom

The twisted freak show we're wound up tight
Pills and orgies, we fuck or fight
The mob is screaming, they scratch and bite
The sound explodes night after night

Kaboom mother fuckers, kaboom

The twisted freak show we're wound up tight
Pills and orgies, we fuck or fight
The mob is screaming, they scratch and bite
It keeps exploding, it keeps exploding

The twisted freak show we're wound up tight
Pills and orgies, we fuck or fight
The mob is screaming, they scratch and bite
The sound explodes night after night

Kaboom mother fuckers, kaboom
Kaboom mother fuckers, kaboom
Kaboom mother fuckers, kaboom
Kaboom mother fuckers, kaboom
