

## Out Of Your Mouth "Stray"

Just like a stray cat  
With no where to go  
I claim my territory  
At your front door

Those aren't my footprints  
Under your window  
Those aren't my photographs of you  
You can't prove anything

Go call the cops and tell them  
That I wouldn't stop following you around  
I might be lost and crazy  
I'm telling you that it wasn't me in your house

Just like a car crash  
I'm in your nightmares  
I need your contact  
You can't hide anywhere

A broken heartache  
Heavy chains I wear  
Relentless conscience  
I drag these everywhere

Go call the cops and tell them  
That I wouldn't stop following you around  
I might be lost and crazy  
I'm telling you that it wasn't me

Move away and you don't tell me  
It's not surprising  
That I keep lying  
Nothing can stop me

Everything to show that I'm dying  
It's not surprising  
That I keep trying  
Nothing can stop me

Nothing can stop me  
Nothing can stop me

Nothing can stop me  
Nothing can stop me

Go call the cops and tell them  
That I wouldn't stop following you around  
I might be lost and crazy  
I'm telling you that it wasn't me in your house
