I could move mountains  
Sail away  
Only cause  
Iâ€™ve got this much faith  
This love  
Is a life  
But Iâ€™m crying  
In lonely designs?  
Silver shadows  
Walking by my side  
Silver shadows  
Walking by my side  
But I ainâ€™t coming  
I ainâ€™t coming home tonight  
I breathe you in my  
I breathe you in my dreams

Iâ€™ll breathe you in my dreams  
I breathe you  
I breathe you in my dreams  
I breathe you  
Iâ€™ll breathe you in my dreams  
I breathe you  
I breathe you in my dreams

I canâ€™t taste our soil  
Through the rains of your eyes  
You?  
It conflicts with  
With the oceans of my  
Of my pride

Silver shadows  
Walking by my side  
Silver shadows  
Walking by my side

But I ainâ€™t coming home  
I ainâ€™t coming home tonight

But I breathe you in my dreams  
I breathe you

Iâ€™ll breathe you in my dreams  
I breathe you  
Iâ€™ll breathe you in my dreams  
I breathe you  
Iâ€™ll breathe you in my dreams
