I'm talkin' to you even when I sleep, and you're not there.

People keep tellin' me that I've changed, but I don't care.

If being with you,
Means I am being a fool,
I don't mind.
I don't mind.

I'm spending my money on things that I can't afford.
Anything you want, just let me know and it's yours.

If being with you,
Is the only thing I do,
I'll be alright.
I'll be alright.

You got it,
I want it,
You call,
I'm comin'.
Your love makes me do the craziest thing.

You like it,
I'll try it,
You want it,
I'll buy it.
Your love makes me do the craziest thing.

In doing things that I would normally do,
I walk around the world four times if it might satisfy you.

Ask me to jump and I'll fly,
Almost a hundred feet high.
I ain't lyin'.
I ain't lyin'.

Ask me to bring you the moon,
I'll put the sky in your room.
I'll die tryin'.

I'll die tryin'.

You got it,
I want it,
You call,
I'm comin'.
Your love makes me do the craziest thing.

You like it,
I'll try it,
You want it,
I'll buy it.
Your love makes me do the craziest thing.

Your love's about to drive me crazy.
I need someone to come and save me.
Your love's about to drive me crazy.
I need someone to come and save me, yeah.

You got it,
I want it,
You call,
I'll come runnin'.
You like it,
I'll try it,
You want it,
I'll buy it.
You say it,
I'll believe it,
You need it,
I need it.
Your love makes me do the craziest thing.
