[Chorus]

I know sometimes
i mess up and
do things i shouldn't do
(It Aint my fault, Did i do that) 2x
And then i try
to make it up by
saying sorry to you
(It Aint my fault, Did i do that) 2x
I know a lot of people
telling me i need to grow up up
but I ain't doing that now (no no)
No I ain't doing that now (no)
So if you are there
and you know
you make mistakes
now put your hands up (hey hey)
put your hands up (hey hey)

[Verse 1]

Put your hands up
woke up on the wrong side
blanket on the floor my feet in the blinds
I tried to wipe my eyes
just to look at the time
Oh shit
I'm late for work the third time
Damn this is what my manager said
if your late again don't bother coming in
Damn i think i just crossed the line
and i swear my alarm
aint go off at 9
trying get up
just so i can get dressed
my uniform all wrinkled
and it's not fresh
I can't believe that my day gone tragic
close to get a raise
but lost ir from bad habits
stayin out late
party in the cafe
crisp style in my

cup flip cup dranks
and i chugged it all up
til i got wasted
now i said something
the next mornin in my boss face

[Chorus]

I know sometimes
i mess up and
do things i shouldn't do
(It Aint my fault, Did i do that) 2x
And then i try
to make it up by
saying sorry to you
(It Aint my fault, Did i do that) 2x
I know a lot of people
telling me i need to grow up up
but I ain't doing that now (no no)
No I ain't doing that now (no)
So if you are there
and you know
you make mistakes
now put your hands up (hey hey)
put your hands up (hey hey)

Put your hands up
chillin with my girl

until she gave me a looks
from the wrong way
i can't belive i was cluess the whole day
after then i dropped her back home
later on i had a text on my phone

we about to fall apart
I'm like

i took you our to eat
now you buggin a nigga
when i acted all sweet
she go

we went out for a year
and still askin me what my pronlem is
you better check you calendar

and tell me what it says
don't act surprised look at the fifth
wasting no time i looked at the date
and in the middle
wit two hearts
my girls birthday damn

[Chorus]
I know sometimes
i mess up and
do things i shouldn't do
(It Aint my fault, Did i do that) 2x
And then i try
to make it up by
saying sorry to you
(It Aint my fault, Did i do that) 2x
