Hey  
Come close

Be be as I am  
Don't need your love, don't bring it back again  
Back to the way it was when it began  
No expectations, we were barely friends, barely friends

And I say it's too late  
My wounded heart has found a better place  
My freedom from you, now I celebrate  
All I can do is try to stay away  
So listen when I say

Boy I'm on your mind and you're in my heart  
You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

Boy I'm on your mind and you're in my heart  
You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

If I soot you now, please don't forget the times you  
run around  
You left my heart up in the lost and found  
The memories burned like a cigarette  
How can I forget?

And you know it's too late  
My wounded heart has found a better place  
My freedom from you, now I celebrate  
All I can do is try to stay away  
So listen when I say

Boy I'm on your mind and you're in my heart

You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

Boy I'm on your mind and you're in my heart  
You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

I hope you know that I've been ready ready ready  
ready  
You're in my heart  
I hope you know that I've been ready ready ready  
ready  
You're in my heart  
I hope you know that I've been ready ready ready  
ready  
You're not ready at all  
I hope you know that I've been ready ready ready  
ready

I'm ready, I'm ready  
You're in my heart  
I'm ready, I'm ready  
You're in my heart  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

Boy I'm on your mind and you're in my heart  
You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready

Boy I'm on your mind and you're in my heart  
You ain't ready for love  
No, not at all  
I'm ready, I'm ready  
You're not ready at all  
I'm ready, I'm ready
