You shout it out but I can't hear a word you say  
Talking loud, not saying much  
I'm criticized but all your bullets ricochet  
You shoot me down but I get up

I'm bulletproof, nothing to lose  
Fire away, fire away  
Ricochet take your aim  
Fire away, fire away

You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium

Cut me down but it's you who has further to fall  
Ghost town and haunted love  
Raise your voice, sticks and stones may break my  
bones  
I'm talking loud not saying much

I'm bulletproof, nothing to lose  
Fire away, fire away  
Ricochet take your aim  
Fire away, fire away

You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium  
I am titanium  
I am titanium

Stone hard, machine gun  
Firing at the ones who run  
Stone hard, this bulletproof vest

You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium

You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium  
I am titanium  
I am titanium
