I'll come, when you ask me. Fast train, make my eyes
bloom.
Your love, make my night go boom. That's why, I need
you.
In the end, to the beginning. Your suspending me up,
with a feeling.
From up here, I do surrender. In the trust that I find, I
hear together.
I Acheï»¿ For You...ï»¿

I beg you to stay, aye aye. I only live out your fates, hey
hey.
Your love makes heart go boom. So I might lose myself
in you.
And I fall, into your breathing.
I am pale likeï»¿ you speak, when I'm sleeping.
In my rhymes, are beginning.
All the things that I find, when I'm feeling you.
I Ache For You...
