today you want to go back
its to late
you decided not to come back
Because now I am who decides, love,
if you return or not.
I will be a lot better

Because I have the control,
I have the strength to be what I am,
If you want it or not, Its the reality
Although you swear to me that no longer you would do
it.

I have the control, I have the strength, I have your love;
I have your heart,
If you like it or not, that is the reality.
This is my life and I do not want to change it more.

Today the sun that you gave me yesterday
no longer is sufficient;
I need that power to feel strong.
Because now I am who decides, love,
if you return or not.
I will be a lot better

Because I have the control,
I have the strength to be what I am,
If you want it or not,
Its the reality
Although you swear to me that no longer you would do
it.

I have the control, I have the strength, I have your love;
I have your heart,
If you like it or not, that is the reality.
This is my life and I do not want to change it more

Now history is repeated
Time passes and everything is back the way it was.
I wanted you to love and,
Its not important anymore
That you have to wait.

Because I have the control,
I have the strength to be what I am,
If you want it or not, Its the reality
Although you swear to me that you will no longer do it.

I have the control, I have the strength, I have your love;
I have your heart,
If you like it or not, that is the reality.
This is my life and I don't to change it more.
