Saw you making eyes at me
Hotels are loneliest
In little miss New Jersey
Back to work and on your feet

And oh, you're so far away
And God knows when
I'd ever get the chance
To touch your hands

You know we'll never date
Let alone be friends
You're so far away
It hurts so bad

Softly walk away from me
Goodbyes are loneliest
When you know we'll never meet
Face to face or feet to feet

And oh, you're so far away
And God knows when
I'd ever get the chance
To touch your hands

You know we'll never date
Let alone be friends
You're so far away
It hurts so bad

It hurts so bad
It hurts so bad
