Hate is what I like  
Twisting your mind bleed like I did  
Don't play my game I'll tear your soul into  
Don't say my name  
Just ease the pain I know is true

The fight is on the book is read  
I have to face it or I'm dead  
I didn't know just what to do  
Come near me

Know your enemy

Pain is my own thing  
Don't know if I can live or die  
I'm blind you see, blinded by evil from you  
Don't play my game  
Just ease the pain I know is true

The fight is on the book is read  
I have to face it or I'm dead  
I didn't know just what to do  
Come near me
