You're my freezing star  
You're a superstar  
You're everything that I need  
Do not walk away  
Do not hesitate  
Just follow everyday signs

Follow me when time collides

Is this really true?  
I believe in you  
You're everything that I want  
Could I really know?  
Could I really do?  
Just follow everyday signs

Follow me when time collides

See me for who I am don't walk away  
Eyes filled with tears of guilt hands sworn to pray

I don't wanna go  
Gotta take it slow  
You're everything that I want  
I don't wanna see  
I don't wanna flee  
Just follow everyday signs

Follow me when time collides

Wanna go gotta take it slow you're everything that I  
want  
I don't wanna see I don't wanna flee just follow  
everyday signs
