"When A Child Is Born"

A ray of hope flickers in the sky,
A tiny star lights up way up high,
All across the land dawns a brand new morn,
This comes to pass, when a child is born.

A silent wish sails the seven seas,
The winds of change whisper in the trees,
And the walls of doubt crumble tossed and torn,
This comes to pass, when a child is born.

A rosy dawn settles all around,
You got the feel, you're on solid ground,
For a spell or two no one seems forlorn,
This comes to pass, when a child is born.

It's all a dream and illusion now,
It must come true sometime soon somehow,
All across the land dawns a brand new morn,
This comes to pass, when a child is born.

This comes to pass, when a child is born.
