[Coco Jones]

You're spinning around and round and round in my
head.

(head)

Did you really mean the words that you said?

(said)

This is it I've got to know, should I stay or should I go?

Show me the truth, is it gonna be me and you?

is it gonna be me and you?

is it gonna be me and you?

[Tyler James Williams]

I know your going be mad, the feelings that you
thought you had,

was for another guy, well I'm that other guy.

I'm just a shy kid camouflaged before your eyes.

I know my lyrics were the key to see the other side.

I should've told you but I never had the courage,

and I thought you really wouldn't understand.

[Coco Jones]

ooh.

[Tyler James Williams]

And now I'm okay just to let my feelings surface,
apologizing for disguising who I am.

[Coco Jones]

Tell me, are you who I thought you were?

Or who I wanted you to be?

Did you do it all for him?

Or were you only playing me?

[Tyler James Williams]

I did it for you, but I couldn't see it through.

(but I couldn't see it through)

[Coco Jones]

You're spinning around and round and round in my
head.

(head)

Did you really mean the words that you said?

(said)

This is it I've got to know, should I stay or should I go?
Show me the truth, is it gonna be me and you?
is it gonna be me and you?
is it gonna be me and you?

[Tyler James Williams]

You're all I ever wanted, but I got caught in the shadow
of the background, but I'm back now.
And Chris was all this and that, and my look didn't
really fit the
rap, it didn't match.
He had the style and I had the swag. So I locked up my
feelings in the words he said, give me your hand and
I'll take off my mask.
Give me a chance, that's all I ask.

[Coco Jones]

What are you expecting me to do?
First you were him and now you're you(hoo).

[Tyler James Williams]

Now it's just me, and you've got me on my knees.
(and you've got me on my knees.)

[Coco Jones]

You're spinning around and round and round in my
head.
(head)
Did you really mean the words that you said?
(said)
This is it I've got to know, should I stay or should I go?
Show me the truth, is it gonna be me and you?
is it gonna be me and you?

Why do I feel so deceived?
Guess I believed what I wanted to believe,
It's perfect in my dreams, but nothing's really what it
seems.
No, no.

You're spinning around and round and round in my
head.
(head)
Did you really mean the words that you said?
(said)
This is it I've got to know, should I stay or should I go?
Show me the truth, is it gonna be me and you?
is it gonna be me and you?
is it gonna be me and you?
