Seems like forever since I talked to you
Remember everything, the memories, the scars
I still look outside my window each night
And hope that I might see a shooting star

I lost all hope ten wishes ago
And days, days go by
I write to you to let you know
Youâ€™re still on my mind

Send you a letter, say I love you
I pray you find forgiveness in you
Some things changed, weâ€™re not the same
We used to be so close, please write back
ASAP, send you a letter, send you a letter

Now it seems Iâ€™ve run out of hope
Youâ€™re not coming home this time
Unfold the pages read what I wrote
Read them alone, in case you cry

And days, days go by
I write to you to let you know
Youâ€™re still on my mind

Send you a letter, say I love you
I pray you find forgiveness in you
Some things changed, weâ€™re not the same
We used to be so close, please write back
ASAP, send you a letter

Lifeâ€™s been rough this year, but girl stay strong
And once in a while itâ€™s okay to shed a tear
And Iâ€™ll be here until you come along

Send you a letter, say I love you
I pray you find forgiveness in you
Some things changed, weâ€™re not the same
We used to be so close, please write back
ASAP, send you a letter
Send you a letter

Seems like forever since I talked to you
