I fell for you, I fell in love with you, not too long ago
Got lost in your eyes but I didn't even know
They said we should take things slow
But I said no, no, no

But, that was once upon a time
Only just a dream of mine
I got lost in your eyes and fell for you then
That was not that long ago
You told me you loved me though
But, now I'm not your Romeo

I know the first time that we stayed up on the phone all
night
Laughed about nothing at all until my dad turned on
the light
And, I thought that we could be like Romeo and Juliet
But, now I know that dreams stay dreams and
that's my big regret

But, that was once upon a time
Only just a dream of mine
I got lost in your eyes and fell for you then
That was not that long ago
You told me you loved me though
But, now I'm not your Romeo

And I'm standing here
Waiting for you to come, oh oh
And you left me, and it hurts to feel it
It hurts that now I know

But that was once upon a time
Only just a dream of mine
I got lost in your eyes until I knew the truth
That you were never there for me
Looks can lie, but now I see
What I see isn't the girl I once knew

And, now I'm not
And, now I'm not
And, now I'm not your Romeo
