These city lights
Keep me up so late
I wanna see, wanna see your face
How can I believe in something so far away

I wanna know
I wanna know

These lonely nights, I just keep lying awake
Wondering where you are if weâ€™ll meet someday
I wanna know but you donâ€™t call my name
Why donâ€™t you call my name

I walk alone
With my head to the ground how can you lose
something
You havenâ€™t found, I need strength

I wanna know
I wanna know

These lonely nights, I just keep lying awake
Wondering where you are if weâ€™ll meet someday
I wanna know but you donâ€™t call my name
No, why wonâ€™t you call my name

And, I need something to dream of but I canâ€™t even
dream of you
And, I need to get some sleep, I canâ€™t go to sleep
when I keep thinking of you

These lonely nights, I just keep lying awake
Wondering where you are, if weâ€™ll meet someday
I wanna know but you donâ€™t call my name
Why donâ€™t you call my name
These lonely nights, I just keep going insane
As you walk by me, like you do everyday
I wanna know but you donâ€™t call my name
No, why wonâ€™t you call my name

Why donâ€™t you call my name
Why donâ€™t you call my name
