Rap - Peter Parker Jnr

Well it's the illest musketeer

You fear, right here

Two stepping, sipping a cool corona beer

Damn am out here

With fourteen senioritas

Four blacked out whips

Homie pour me a margarita

verse 1

Well It was only three days ago

Saw u walking down the road

Looking real fly, hair blowing wild

felt like u were floating in slow mo,

I was only forty seconds away

I couldn't even guess ya name

Froze like a mannequin, mouth open wide probably

catching flies

Shawty got me stunned hey!

Pre chorus

When I say that shorty got game

She don't entertain anything lame

She know she can make it rain

So she probably laying on beach just chilling in St

tropez

She stole my heart and broke it in two

But I hope someday that I will meet someone i can call

my boo uh uh

Chorus 2x

So never give up on love

No matter what anybody say

Just know that there's someone out there for you one

day Ay Ay

Verse 2

Well it was Only three weeks ago I saw u cruising down
the road

In a black escalade

Louis vee shades

felt like I was watching u in blue ray

So I gave u a Versace glaze

But only trying to hide my pain

So am mean mugging looking poker face

Man I feel like life is just a rat-race

Bridge

When I say that this shorty got game

She don't entertain anything lame

You know she could make it rain

So she probably sipping lemonade on the beach in St

Tropez

She stole my heart and broke it in two

But I hope someday that when I meet someone she's

not like u uuh uuh

Chorus 2x

So never give up on love

No matter what anybody say

Just know that there's someone out there for you one

day

Rap

Infatuation is what they call it I guess

When you smitten like a kitten

Moping around once bitten

Twice shy, my shorty got cold hearted

5th of December feelings departed

Good riddance less stressing keep living

Forgiving da misgivings real hard to Begin with

If ya decision is based on superstition

Am a keep fingers crossed for the last pieces missing
