Now baby I ain't like these other guys (other guys)
I have no reason to lie
They just tell you what you want to hear
But I'ma keep it real and tell you exactly how I feel yea

I can't eat, I can't sleep no, my heart won't stop racing
I can't think, I can't breathe, just look at what you doing
to me

Girl I got a habit, girl I got to have it, or I'm about to
overdose
Girl I'ma addict, girl I'm relapsing, and every time I see
I fein for more
I'ma need to fix my addiction, or I'm about to overdose
I'ma need to fix my addiction, or I'm about to overdose

They say you are bad for me so they try to start an
intervention
But I want you so bad baby my friends say it's
unwanted attention
But honestly, I think they jealous and I got to feed my
addiction
I can't go a minute without missing your love is my
drug girl you know

I can't eat, I can't sleep no, my heart won't stop racing
I can't think, I can't breathe, just look at what you doing
to me

Im'a need to fix my addiction (or Im'a bout to
overdose)
because the way you got me feeling, is a way I never
felt before
your all i need i can't live without you
I can't go a minute without thinking bout you
because you got my mind on overload
and ima bout to overdose

Girl I got a habit, girl I got to have it, or I'm about to
overdose
Girl I'ma addict, girl I'm relapsing, and every time I see
I fein for more

I'ma need to fix my addiction, or I'm about to overdose
I'ma need to fix my addiction, or I'm about to overdose
