Ho... oh... oh...

Ambar hethhaan, dharti vasdi, ethe har rut hasdi, ho...

Kinna sona, des hai mera, des hai mera, des hai
mera...

Kinna sona des hai mera, des hai mera

Des hai mera, des hai mera,

Dharti sunehri ambar neela ho...

Dharti sunehri ambar neela, har mausam rangeela

Aisa des hai mera, ho... aisa des hai mera

Aisa des hai mera, haan... aisa des hai mera

Bole papiha koyal gaaye...

Bole papiha koyal gaaye, saawan ghir ke aaye

Aisa des hai mera, ho... aisa des hai mera

Aisa des hai mera, haan... aisa des hai mera

Oh... kothhe te, kaan bole aayi chithhi mere maahiye
di...

Vich aane da vi na bole aayi, chithhi mere maahiye di...

Genhoo ke kheton mein kanghi jo kare hawaayein

Rang birangi kitni chunariyaan ud ud jaayein

Panghat par panhaaran jab gagri bharne aaye

Madhur madhur taanon mein kahin bansi koyi bajaaye,
lo sun lo

Qadam qadam pe hai mil jaani

Qadam qadam pe hai mil jaani, koyi prem kahaani

Aisa des hai mera, ho... aisa des hai mera

Aisa des hai mera, haan... aisa des hai mera

Oh... oh... oh...

(Hoy hoy hoy hoy hoy hoy!)

Oh meri jugni de dhaage pakke jugni os de moonh toh
fabbe

Jinu sat ishq di lagge, oy saanyi mereya oh jugni

Veer mereya jugni kendi aye, oh naam saayin da lendi
aye

Hoy hoy hoy hoy hoy hoy

Oh dil kad litaa ee jind meriye

Baap ke kandhe chadh ke jahaan bachche dekhe mele
Melon mein nach ke tamaashe, kulfi ke chaat ke thhele
Kahin milti meethhi goli, kahin chooran ki hai pudiya

Bhole bhole bachche hain, jaise gudde aur gudiya
Aur inko roz sunaaye daadi naani ho...
Roz sunaaye daadi naani, ik pariyon ki kahaani
Aisa des hai mera, ho... aisa des hai mera
Aisa des hai mera, haan... aisa des hai mera

Sadke sadke jaandi aye mutiyaare ni
Kanda chuba tere pair baankiye naare ni
Oy, ni adiye kanda chuba tere pair baankiye naare ni
Kaun kade tera kaandra mutiyaare ni
Kaun sahe teri peed baankiye naare ni
Oy, ni adiye kaun sahe teri peed baankiye naare ni
Ho ho ho, ho ho ho ho
Mere des mein mehmaanon ko bhagwaan kaha jaata
hai
Woh yahin ka ho jaata hai, jo kahin se bhi aata hai
Aa aa aa aa...
Tere des ko maine dekha tere des ko maine jaana
Aa, aa, aa,
Tere des ko maine dekha tere des ko maine jaana
Jaane kyun ye lagta hai mujhko jaana pehchaana
Yahaan bhi wahin shaam hai wahin savera, oh...
Wahi shaam hai wahin savera
Aisa hi des hai mera jaisa des hai tera
Waisa des hai tera haan jaisa des hai tera

Aisa des hai mera ho... jaisa des hai tera
Aisa des hai mera haan... jaisa des hai tera
Aisa des hai mera haan...
Waisa des hai mera
